This Notice of Termination is being submitted because: **(check one)**

- ☐ The construction project or larger common plan of development is finished and final site stabilization has been completed (pavement, buildings, structures, or perennial vegetation having a density of at least 70% of undisturbed areas at the site cover all areas which have been disturbed - See Part 8 of the general NPDES permit S-MCST-0701-1).
- ☐ This project is a house development subdivision project that has had a construction stormwater discharge Authorization for at least 3 years, the vacant lots are all stabilized, and the rate of home construction within the development disturbs less than one (1.0) acre (approximately 5 lots) per year or less than one (1.0) acre of land (approximately 5 lots) remain available for development (see Part 8 of the general NPDES permit S-MCST-0701-1).

I certify under penalty of law that all soil disturbances associated with the construction activity at the construction site named herein meet one of the two criteria indicated above and have therefore attained final stabilization in accordance with Part 8 of the general NPDES permit S-MCST-0701-1. I understand that by submitting this Notice of Termination, I am no longer authorized under the general NPDES permit S-MCST-0701-1 to discharge stormwater associated with construction activity at this construction site. I understand that discharging pollutants in stormwater associated with construction activity to waters of the State is unlawful under K.S.A. 65-164 and 65-165 and the Clean Water Act without authorization by a valid Kansas Water Pollution Control Permit. I understand that by submitting this Notice of Termination, I am not released from liability for any violations of the general NPDES permit S-MCST-0701-1, K.S.A. 65-164 and 65-165, the Kansas Surface Water Quality Standards (K.A.R. 28-16-28 et seq.), or the Clean Water Act. *I also hereby certify that I am authorized to sign this Notice of Termination as a representative of the permittee named herein.*
