Permittee Certification

I certify under penalty of law that disturbed soils at the identified site have been acceptably stabilized and temporary erosion and sediment controls have been removed or will be removed at an appropriate time and that all stormwater discharges associated with construction activity from this site that are authorized by this General Permit have been eliminated. I understand that by submitting this Notice of Termination, I am no longer authorized to discharge stormwater associated with construction activity by the General Permit and that discharging pollutants in stormwater associated with construction activity to the waters of the United States is unlawful under the Clean Water Act where the discharge is not authorized by an NPDES permit. I also understand that the submittal of this Notice of Termination does not release the permittee from liability for any violations of this Permit or the Clean Water Act which may have occurred at this site.
